OnDemand Awards Program

OnDemand Awards is an exceptional motivator with tens of thousands of awards from brand-name merchandise and individual travel programs to special events and more. We know that when you reward customers, sales people and employees for their loyalty and performance, everyone wins.

HMI's incentive solutions start with realistic, attainable audience and company goals to suit every budget and demographic – goals that get your participants excited while increasing your company's brand awareness...and bottom-line.

HMI's programs leverage leading technologies to provide a cutting edge online platform for administration, communication and award redemption.

It's interactive, intuitive and best of all it keeps participants engaged steadily from the start. In addition to our best-in-class technology, our client service coordinators are always available by phone to assist participants and companies alike. And we're pleased to offer updated pricing and availability, which means program clients and participants get the best possible value and service during the redemption process.

“The OnDemand Awards Program helped us create a year-round brand loyalty program with sales associates from key national accounts. And the HMI team has been with us every step of the way. HMI partnered with us to develop an exciting program that was specifically customized to our needs. They continue to bring us creative ideas to maintain excitement with the sales associates. HMI’s excellent customer service and follow-through has made the program virtually turnkey for us.”
